Start Time: Wed 4/12/2017 2:30:00 PM
End Time: Wed 4/12/2017 3:30:00 PM
Required Attendees: Valentino, Michael; Victorine, Gary; Setnicar, Mary; Cunningham, Michael

As you know, we have scheduled a meeting with Tradebe on 4/12, 1:00 pm. The President (Chief engineer) and VP would come to Chicago to discuss their solid distillation system. They would like to have an opportunity to meet EPA's management for the RCRA-exemption issue.

So we would like to have a short pre-meeting to update the status and sort out the potential issues.
